

## **MARQUEES**

For many years now demand for the twenty-five marquee spaces at the top of the Grassy Bank parking area has outrun the space available on the north side of the course. As in previous years we shall offer further spaces on the south side of the course where there is a good viewing area between our present bus stop and the 1000m mark.

In order to be fair to all we will no longer entertain requests for particular spaces on a historical basis, but shall allocate plots on a first-come-first-served basis, filling the Grassy Bank list first.

Each marquee space will be 40' wide x 20' deep and will be supplied with a flagpole. The cost is £150.00p.

Those wishing to book a marquee space for the 2010 regatta should complete the booking form below and send it with a cheque direct to the Chairman as specified below, not to the Entries Secretary.
