

NATIONAL SCHOOLS' REGATTA 2013

(Registered Charity No. 801658)

Holme Pierrepont, Nottingham. Under British Rowing Rules.

Safeguarding and protecting children

The Chairman and Committee of the National Schools Regatta recognise their Duty of Care to ensure that all reasonable steps are taken to provide a safe environment for all those attending the Regatta in whatever capacity.

The attention of school and club coaches is drawn to the Regatta's Child Protection Policy and Procedures document (available at the Raft Marshal's Office).

In particular:

- ❖ It is a condition of entry to the Regatta that each competitor or crew shall have a named manager/coach. The coach, who must be over 18, must have been named on the entry form.
N.B. If a substitute coach comes to the regatta he/she must report to the Rafts Marshal's office and register his/her mobile telephone number.
- ❖ The coach is responsible for the welfare, safety and appropriate supervision of his/her crew and is expected to know the whereabouts of his/her crew at all times during the Regatta.
- ❖ The National Schools Regatta expects clubs and schools to have their own up-to-date child protection and welfare policies and that these policies (incorporating the DfE guidelines contained in the booklet "Health and Safety of Pupils on Educational Visits") will be followed.

Lost Children and issues affecting the welfare of children:

- ❖ Should be reported or directed to the Raft Marshal's Office.
